Application closing date: 31 January 2019

Notification date: 22 February 2019

Sponsorship Criteria:

We will only consider projects/events within our network area.

Preference will be given to:

- Community projects/events that have high visibility that benefit our local communities.
- Groups/organisations that have raised funds from other sources – it is unlikely that TLC will sponsor events/projects where our sponsorship is the only source of funding.
- Projects/events that are provided free of charge to our local communities.
- Projects/events that reach a large number of people within our local communities.
- Projects/events that create better communities.

We are unlikely to sponsor: travel costs, ongoing operating expenses or individuals.

Application Process:

1. Your application must have all relevant information and reach us on or before the closing date. Late applications will not be considered.
2. We will review all applications after the closing date. Once applications have been reviewed we will notify all applicants of the outcome. If you have submitted an application via email, you will be notified via email.
3. Successful applicants will be asked to send in an invoice and bank deposit slip before payment is processed.
