Explanation of price changes

The April 2020 price changes represent the balancing required to ensure affordability to our customers and provide an adequate return to the company. We continue to fund our renewal programme with a focus on network safety, taking into account our new pricing structure.

In addition, pass-through prices were changed to ensure that we meet the requirement that the pass-through component of our prices reflects our forecast pass-through and recoverable costs.

**The Lines Company Limited
Pricing Schedule
Effective 1 April 2020 (prices exclude GST)**

Please refer to the pricing document on our website www.thelinescompany.co.nz for further information including the Pricing Methodology and Policy
